

Quality for life

Ottobock is a leading brand within the orthopedic industry. We provide high-quality, innovative and technologically superior products and services that help people restore and improve their mobility and independence – Quality for life. Together with our subsidiaries Aktiv Ortopedteknik and Respecta we are over 700 employees and have an annual turnover of approximately 123 MEUR. Our parent company, Ottobock Healthcare, is active in over 50 markets worldwide has an annual turnover of approximately 885 MEUR.

We are looking for a Product Specialist Prosthetics (upper limb)

Ottobock is in the middle of an exciting and expansive development phase and we are therefore recruiting a Product Specialist Prosthetics whose priority will be to support the development in the Nordic countries, with a focus on upper limb prosthetics.

Your future challenge

As Product Specialist Prosthetics you will support our sales team and the prosthetic workshops in the Nordic market. As an expert in the field of upper limb prosthetics, you will offer training, education and fitting support to professionals. You will be working with premium products and support the development in this growing segment at the market.

Our offer

We offer you a varied, challenging and stimulating job in an international environment characterized by a high degree of independence at a high pace. You will work with the best products in the industry and will join our Nordic team. You will have the possibility to develop the position with both short term activities and long term strategy planning.

The position is a permanent full time employment, you will work from your home office located in Sweden or Norway and with extensive travel included. You report directly to the Sales Manager.

Your background

You have a background as a certified CPO where your degree is combined with clinical experience with at least 5 years' experience in the field of (upper limb) prosthetics. You have an understanding for the complexity of the healthcare system and stakeholders involved in the process. As a person you are humble, flexible and solution oriented. You also have a good ability to organize and structure your work.

We also see that you have a good sense for service and ability building strong customer relations. You are professional and trustworthy in your approach and have excellent communication skills. You are ambitious with a strong drive to achieve set goals. You are fluent in English and in Swedish or another Nordic language.

How to apply

To apply to the position, please send resume and cover letter to Jessica Bäckström, Recruitment Specialist: jessica.backstrom@ottobock.se

If you have any questions regarding the position please contact Michiel Meerbergen, Sales Director via email: m.meerbergen@ottobock.com

Selection and interviews will be held ongoing, so we encourage you to submit your application as soon as possible.
